

Princess Star ~ Alaska

July 22, 2012 - July 29, 2012

The Star Princess is one of the line's most luxurious vessels. For example, three different showrooms offer Broadway, Las Vegas and cabaret productions. Three main dining rooms are complemented by alternative eateries like Sabatini's Italian trattoria, Sterling Steakhouse at Tequila's and 24-hour casual dining at Horizon's Court. When it comes to activities, no one is left out. Adults can relax at the Sanctuary, an adults-only retreat. Golf simulators, a virtual reality area, a fine arts gallery, computer and writing rooms, a gym and spa all offer the recreation -- or relaxation -- you're looking for. Kids and teens have their own hangouts with TVs, video games and age-appropriate activities. Jump in one of the four pools or nine whirlpools for a workout swim or to just take in some rays. When the sun sets, head to the 13,500-square-foot casino, one of the 17 lounges or Skywalker's Nightclub for dancing 15 decks above the sea. Guests can also enjoy an outdoor movie with Movies Under the Stars. More than 700 staterooms feature private balconies.
